3. I think the procedure may be approved as far as the past is concerned. In future the rules should be strictly followed. Our people must learn to do business in open competition with Madras & Bombay firms as that will benefit both the first & themselves. No use in trying to spoil them by excluding Bombay & Madras merchants from competing in the matter of supply.

Sir,

With reference to Rule 11 of the rules under Government Order No. Fl. 2760-809 G.F. 214-10-88 dated 23-12-1913 re. the publication of notices calling for tenders in the leading news papers published outside Mysore, I have the honor to forward herewith copy of letter No. 1022 dated 27-10-1915 from the Senior Surgeon, Medical Stores, stating that an outside Contractor will not be able to supply articles in Bangalore as satisfactorily as a local man and that it would, therefore, serve no useful purpose to publish the notice in the outside papers.

2. There being some force in the representation, the action taken by the Medical Stores in publishing the notice only in the local news paper, has been approved this time, in anticipation of Government sanction.

3. As regards future procedure, I submit the case for the orders of Government.

Reports the publication of the notice calling for tenders for the supply of Articles to the Medical stores, only in the Local newspaper for reasons assigned.

Enclosure to medical 70-15=4. 5

Letter NO.1022 dated 27-10-15, from the Senior Surgeon in charge Medical Stores, Bangalore to the Senior Surgeon Mysore Government, Bangalore.

I have the honor to inform you that the Medical Stores receives its supply of country medicines by Contract annually, from approved Firms which are all located in Bangalore one of the stipulations of the contract being that Contractor should deliver articles at short notices, at the Medical Stores and that he should replace those, rejected, within a day.

2. A Contractor should necessarily be a local man to fulfil these and similar conditions of contract. A man from Madras or Bombay cannot submit his tender and undertake to do business with the Medical Stores having his godown in Bangalore for the purpose. I have accordingly considered it unnecessary to publish the notices at a cost of nearly RS. 50/- outside the State, this year, calling for tenders as required by the latter part of Rule 11 of the Rules under Government Order NO. Fl 2760-809 G.F. 214-10-88 dated 23rd December 1913 which says inter alia that " If the value of the supply exceeds RS. 5000/- the notice should also be published in three successive issues of a leading English or Vernacular News paper in Madras and a similar paper in Bombay.

3. I have however arranged for the publication of the notices in the Mysore Gazette, as usual, as well as in one of the English News paper Viz. " Daily post " which has got a wide circulation in and out of the Mysore State.

4. In these circumstances I request you to be so good as to obtain the orders of Government for the departure from rule 11 quoted above, I may further add that the Medical Stores should for the above reason be exempted generally from the operation of the above rule in the future also.
